### INSTRUCTIONS

alex, you can complete the Family Law Questionnaire either by printing out, filling it in and getting it back to our office or, electronically, as a fillable pdf form and simply returning it by email.

Generally, unless you opt for us to register your case electronically, it is easiest to complete this form by opening it in a web browser and “downloading” it from the browser to your computer to save the results. Chromium, Brave, or Firefox. We suggest you practice saving the fillable pdf form to verify the pdf keeps your data in the form. We know 94 pages is a lot of information but the Court requires it and we use our own version of the forms which does not repeatedly ask you the same questions stretching over hundreds of pages. Also, if this Questionnaire asks for information that doesn’t exist or doesn’t apply, just leave that response blank.

**We recommend you electronically register your case for a modest fee so you can conveniently complete and immediately submit this information using any browser on our web interview pages. Just let us know as soon as possible if this option works for you.**

If you have any questions or concerns regarding this Questionnaire, don’t hesitate to contact our office using the information above. If you’d prefer to provide this data using a convenient website interview which will save you money overall, contact us and we can get that started.

These first sections help us determine whether and which Court has jurisdiction in this case:

### Your Residency

---

Resident of what state:  Resident of that state since:   
(MM/DD/YYYY)

Resident of what county:  Resident of that county since:   
(MM/DD/YYYY)

### Your Spouse’s Residency

---

Resident of what state:  Resident of that state since:   
(MM/DD/YYYY)

Resident of what county:  Resident of that county since:   
(MM/DD/YYYY)

The rest of the Family Law Questionnaire is organized into Your Data and Your Spouse's Data. Please take care to answer the questions appropriately.

Again, if you’d prefer to provide this data using a convenient website interview which will be more convenient and save you money overall, contact us and we can get that started.

Finally, we sincerely thank you for choosing us to represent you during this difficult time.

Very truly yours,
